“ *Adrienne was the cutest little girl ever. I met her for the first time when I was visiting from Germany to see my aunt Wallie, who was her grandmum, and my cousins. Adrienne was so sweet, she had a gift to make me feel so welcome and always wanted to cuddle, give hugs and be hugged, she radiated the purest kind of love. I also remember she was excited to start her second school year back then.*

*I find comfort in the thought that in heaven she is united with her beloved grandma. She had a special connection with her and the two of them are maybe sitting on a fluffy cloud together watching over us, always. ❤️*
