Jason, you will forever be a part and a beautiful memory of my life and Rooks and Crystelle. Even though the years drifted us apart, we all still love you and always did. Rest in peace now with your grandfather who I know was your idol. I'll see you one day on the other side. Love to you always. Vicki Raines

To best absent in the body is to be present with the Lord. We know you would not trade your new home to come back here but you are missed by many. We will see you again! Sylvia

I just learned of Jason's death. I remember him as a little boy. Judi I pray God's arms around you. The video was beautiful. I can not imagine how you must feel. But one thing I must remember is- God is God You are in His most excellent hands. Deut. 31:8 says "The Lord is the one who goes ahead of you. He will be with you. He will not fail you or forsake you. Do not fear or be dismayed. If there is anything I can do please honor me with your call.
