“Debbie and I are deeply saddened to hear the news about Alan. We have so many good memories that we talk about often, from the Little League Baseball Days to the NASCAR Races. We all had to have a NASCAR "Nick Name" that we had to use when we went to the races or watched them on TV at one of our houses. And yes of course, Alan was involved in assigning each of us with that "Nick Name". Our Thoughts and Prayers are with his Family.

“Alan "Cowboy", you were such a huge part of our lives and some of the best memories of school we could ever have. Your personality brightened everyone within your realm. As well as, our childhood together! You are so loved. And, to your family, you all KNOW how dearly I love you all. Sherry Payne Hood
