“ My name is Angela Nelson-Jackson and I taught Allison in 6th grade at Kirby Middle School. Yes, I still remember her and was shocked and saddened to stumble upon her obituary. When I saw the picture, I knew that it was my dear, sweet Allison. She was kind to all, never bothered anyone and wouldn't hurt a fly. I could not have asked for a better class for my first year of teaching. Your family is in my prayers and please know what a blessing she was to all.
