“ *Would like to send my condolences to her family and friends specially her children. I have lost loved ones and to me this just would have never made sense til i looked at it through Jesus eyes because here in this world it is a blink of an eye and what matters is our salvation for life only begins after we leave this place so no matter how unfair or how bad it seems here if we repent of our sins accepting Jesus sacrifice for us then we will be saved just like Amanda was.*

“ My sincerest sympathy to all the family! My heart is heavy with sadness as our Amanda and my daughter, Jennifer, were like sisters growing up. They spent many nights at my house giggling and always had fun. They never quarreled but just made eachothers lives fun. Jennifer played flute at her wedding, she was bridesmaid at Jen’s.

Amanda had a smile that made you feel good. She was big hearted towards us all.

The last time I saw her she was working at Outback Steakhouse in Southaven.

The world lost a sweet, wonderful girl and she will be missed by all who knew her. 😭
