“ Adam... You my dear were the most amazing friend a girl could ever have.

You, Tad, Wookie... You 3 kept me going, on my toes and making Kool-Aid... You will forever be in my heart... I know you'll always be in Tads heart too.

I am completely crushed and just lost my other Best friend up here... I can't do this man ... I need you...

“ Oh Adam... what I would do for one more walk down Main Street listening to your laughter, or riding down the street listening to music 🎵 && you mumbling the lyrics beside me!! You were the best! The very best listener... conversation rules the nation , something you && I were never short on.. man! Life was a adventure that's for sure... I remember you training for lost prevention and how excited you were to be taught by “ the worlds best knife guy!” Except when you went on to add... he was missing fingers!!! The pool parties && All the slumber parties... && the wing man hits ! You my guy... the thumbs up 👍 and the late nights we spent contemplating what it would be like if the grass was actually greener on the other side! But my absolute favorite was my 30th birthday @ ole school just you && I eating a burger and praying for better days... BC YOU REALLY REALLY WANTED THAT && WE TOOK THE TIME TO BELIEVE IN THAT, and I'm sure I wouldn't have accomplished a lot without that friendship so I thank you for that, it meant so much to me!!! ... so this is it!
