“ *Our dear Uncle Tony was one of kind! He loved his family, deeply. He was a loving husband, excellent father, my mother's best friend and confident (his sister) and a fantastic Uncle. Uncle Tony worked extremely hard to provide for his family, but he also wasn't afraid to play hard. I will cherish the countless memories I have of him. From holidays and Thanksgiving cribbage games to many the Mardi Gras we celebrated together on St. Charles Avenue, family vacations to the beach and Bay St. Louis, our trip to Europe, Karaoke nights, Jello Shots, The House of Blues and concerts, birthday parties and phone calls/visits on Christmas Day. Uncle Tony was always thinking of us - he and I shared a love of music, and he gifted me wonderful music related memorabilia - miniature guitars, my Jerry Garcia ornament and more. He never hesitated to get in the car and drive - no matter how far to see us. I will miss his stories and sense of humor most, I always enjoyed just sitting and talking with him. The void he will leave here on Earth will be palpable - for me and all of our family. My heart is with you, Aunt Gail, Britt, Jennifer and your families, my parents, Debra & Eddie LaBar and my brother and sisters. Uncle Tony is having the best time at the party in the sky with Grandma, Aunt Marge, Uncle Bobby, his father, and many others who passed before him who also loved him dearly. He fought hard for many years and for that I am grateful. Rest in Peace, Unta Tony! I love you! You will be missed by us all.*
