“ I was so blessed to have met Ava and Ronnie when they made a trip here to florida. We had only talked online and never met, but it finally happened and I so enjoyed spending that time with her and Ronnie. We spoke about her illness and she had such a wonderful attitude about how she was going to live it with as much fun as she could. I was so happy that on those times she couldn't sleep that she would call and we would talk for awhile about everything. While she was here I saw a penny and picked it up and told her that it is said a loved one from heaven had sent it to me. She then promised that she would send me pennies from heaven so to keep my eyes open. Well my dear Ava, I am waiting for that penny!!
