“ Ben. It's too late to call you. I'm sorry. I am so thankful god put you in my life. You were there for me and Jacob when I had no one else.. you were truly selfless and one of a kind. I'll miss you always. I just wish I could have seen you one last time, besides running into you at Walmart. Life is so unexpected!!!! I love you dearly my friend.

“ As I sift through the memories, photographs and tributes, I am carried back to the days of our youth. I remember our old neighborhood and how all us kids were so free to roam. Your mom was a second mom to the kids in our family for so long and I have very vivid and special memories from those days. I remember you and Walt on your dirt bikes and the seasons of SYS football, oh and that KISS tribute was all the rage so fun to see that. It was wonderful to see the man you became after I left so many years ago and to see your beautiful family. I know your mom, kids, family and friends all miss you. Sadly you left us too soon.

“ Ben,

What fun we had. I cherish all of the memories. There are so many, playing all over your neighborhood, running through your house and your Dad watching Wide World of Sports or football and your Mom making spaghetti, riding horses and shooting cans with Randy, football and cheerleading in SYS and high-school. We grew up together. How fortunate we were to have such fun. Our entire group of friends was really something special. Thank you to your parents and entire family for taking us all in like their own. I am so grateful to have been in touch with you over the years. You are one of a kind with a HUGE HEART. Your love and adoration for your children and your family was beautiful. I know you and Russ are cutting up and I can see your dad standing on the side of the football field with the yard marker.

Love you my friend. ❤️

“ I ran into Ben often in OB, especially when he was working at Lowe’s. We would chat briefly about memories of Collierville and the good times that were had growing up there. We would end the chat talking about our current families, kids, and life in general as we grew older. I always left those chats with a smile. To me that sums up Ben, he always knew what to say to make you feel good in that moment. From those chats I knew he loved his family dearly and wanted the best for them all. Prayers to the Stephens family. May the Lord provide you peace, comfort and understanding during this difficult time.

“ Ben was one of the nicest guys you’ll ever meet. We went to school a lot of years together and Ben always treated everyone with respect and kindness no matter who you were. We ran into each other a few years back at a circus he was attending with his family. He loved his family and especially his kids, whom he proudly told me all about. A good man has gone home to be with the lord and I pray for his family and especially Ms. Brenda .

“ I love you Ben. You will be missed more than you could have ever imagined. I'm sure you and Dad are talking about so much... and vividly going over old plays from so many of the games that you played in! Dad is so happy you are there with him. He didn't want you suffering a day longer. Ben, you were a good man and will be remembered in that way. You cared deeply for your family and all of your pets. We will all miss you so much. I'll see you soon. Life is a vapor.

*Dear Brenda and Family,
I can see Ben as one of the best during those many football seasons we shared together.
One evening, he and some the guys were at the house, and I was making spaghetti. Ben taught me how to keep the water from boiling over. So much laughter and joy your Ben brought you and Steve.
Michael and I our deeply sorry
I see him as this handsome, self-assured young boy and teenager.
Brenda, I just do not have the words to express my sympathies. In His mercy and grace,
Betty Martin*
