“ Me Billy was a great friend to so many people. He will be missed. I meet Billy in the early 80's and enjoyed visiting with him lately it had been years since I had seen him till just about two years ago. I've gotten so used to seeing him again like old times we would sit and talk he would tell me about the older days. I enjoyed it so much learning about the past. Loved him so much it felt like I had a granddad . R.I.P my friend
