“ To someone who helped a widow in a time of great need. Thank you, sorry I lost contact, may we meet again someday where there is no weeping or sadness -- across the great divide, which you have closed over.

“ *Uncle Bobby, I didn't get to know you over the years that were missed, but I do remember you from years ago. It was so great getting to know you again not too long ago when I came out to visit my dad, "Your brother Jerry Miller". You had not changed a bit. You will always be in my heart and memories.*

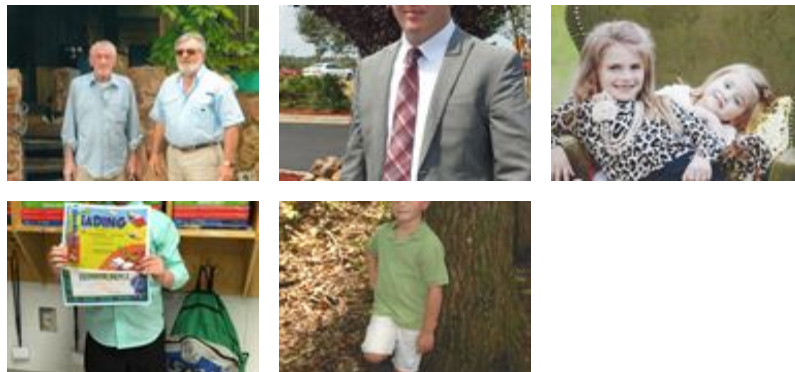

Love, Your niece Patty Miller Valencia.

“ To Bobby's family--I am so very sorry. Just read about Bobby's death. You will all be in my prayers. Bobby was always one of my favorite people. He had a heart of gold and I can remember when my son was small, he would call and tell me to come up and get vegetables. He would fill my trunk up several times a year. He was sooo good to everyone in that way. I know he will be missed.
