“ Loss is a part of life but knowing that doesn't make it any easier. The loss of Buddy will weigh on many as he is loved by many. He was an unbelievably positive and kind man and an honor to have known him and worked with him for many years. As tears fall, it will be his memory that lifts us during this difficult time.

My sincerest condolences to Mandy and his entire family. May your faith provide you comfort and everyone around you the support you need. Buddy will forever be remembered.
