“ I was blessed to have taught Callie piano lessons for several years. For a young girl who was born completely deaf, it seemed to me to be intimidating since I had never taught a child with a hearing loss. But, true to form, Callie surpassed my expectations...as she did with everything! An incredibly courageous human being that overcame obstacles most of us would never even attempt. Our hearts are broken over this loss. We grieve for her entire family. Our prayers are that God will pour out his mercy and grace for this precious family and give them the strength and courage they need during this time. Our deepest love.
