“ Carl was my Father In Law for 18 years. He was a wonderful and loving man. He loved his children and was a great father to them. To be in his presence meant you were gauranteed to be laughing. He was a grill master for sure and loved having his family around him laughing as he grilled his famous pork steaks! Im thankful for the many great memories and laughter he put in my heart every time I saw him. He was wonderful to me. This world and the family has lost a great man. I find some peace knowing he is in heaven with his Sean and Timmy.

“ Carl was my good friend. He either came and worked on my equipment or he talked me through how to fix them over the phone while I was crying. He always said don't cry Brenda. It's gonna be alright. I'll get you fixed up. We had many good conversations and I will always remember my good friend Carl.

So sorry to hear of his passing, we worked for the same company back in the 80's and had man laughs, he was a good man that loved his family, and was so happy with his sweetheart Liz, so glad I got to see you two after being gone for many years!
