“ Carla was a amazing person that I was lucky enough to meet & we became great friends for many years! Carlas passion for animals was what drew me to her & her infectious laugh & personality! Carla was one of the smartest people that I have ever known & she also loved America , god, family & friends. Carla came here to NC for a visit & we had such fun & laughs!! She rescued many cats in her lifetime , re homed , fed cats on the streets & took many into her home over the years. Carla leaves behind 2 older girl kitties that I know must miss her so bad. If anyone sees this you can donate to your local animal shelter or cats rescues in honor of Carla. she supported blind cat rescue In NC also even though she lived in Mississippi. Carla loved travel & Atlanta so much. I just cant imagine that I will never hear her voice again nor see a message from her but I know she is with God & we will meet again. My condolences to her family & friends! I LOVE YOU CARLA!! You were beautiful inside & out!! This photo u look like a movie star!! When she came to see us a few years ago we were blessed to get some photos. she never loved herself in photos but we all did. The photo I put here is me, my step dad Buddy & Carla early one am . Good bye my friend until we meet again & I can still hear your laugh in my memory!! Our mutual best friend Kathleen Vidovic & Buddy also miss u soooo much!
