“ I was a part of the first nursing class at M.C. Carolyn Webb was an excellent teacher, but she was such a supporter and encourage to her students. A very special lady!

“ Aunt Carolyn was always the go-to in my life for whenever my parents (her sister and my mom Margaret) went out of town. We always looked forward to her visits and the time she spent with us. She was also a great role model to three children growing up. She was our other mom and could always count on her. We were so happy that she had a great life and great people like Sue who helped her out. We will miss Aunt Carolyn, but we know now that the Webbs have all reached the top where we will see them soon. Go rest high now, Aunt Carolyn. We will miss you for now.
