“ Debbie & Family,
I'm so sorry to hear about Phil!! I will miss seeing him at the Messick High School reunions since I attended his reunion & then at mine & Debbie's since we graduated together. I'll also miss seeing him at the Glory Dayz events that we all attended!! He was a "good ole guy"--came to Memphis to change some locks on my doors just because I was an old friend even though Debbie had told me he didn't come to Memphis anymore--I knew he loved me then!!! But I won't miss those ole cigars he used to smoke!!!
My sympathy, prayers, & love to Debbie & the family! Rest In Peace, Messick Panther Phil!! Doey Barrar--Messick High School

“ *Phil was always one of the nice guys in high school. Life took you and him in different directions than me, but you two were some of my classmates I enjoyed talking with at class reunions. Every time I saw Phil, he always had that smile. Made one know it was genuine. My prayers are with you all as you continue on this journey of life without him. He will always be in your heart and precious memories.*

“*Sorry to hear of his passing. Phil was my locksmith. He was always professional and courteous every time I needed his services. Never too busy to talk about his Savior and his church and how he had been so blessed during his life. We loved trading cigars. He would even flag me down driving down the street to give me one that he thought I might enjoy. He had his pearly gate master key at the ready when his name was called. While I will miss you now, I will see you again soon.*

“*Phil was crazy, funny, sweet loving kind of guy. I loved being around him, he always made me laugh. Remembering the old BMX days, Debbie working the table, Phil checking everything out and little Shannon on his hot wheel. Lost contact when we moved out of state, but connected when we got back
Phil, your smile, corny one liners, and sweetness will be so missed. I know you're family and friends are missing you so much. May you R.I.P.*

“ *He was so warm and welcoming, everytime I walked through the doors of Prince Of Peace I was welcomed with a hug and a good morning. He was always so supportive of our youth group and praise team when I was growing up. He will truly truly be missed.*
