“Pete was a wonderful, caring human being, devoted to his wife Sandy. He will be sorely missed by family & friends. It is however comforting to know that Pete is now watching over his loved ones along with our father in heaven. Gone from this earth but remains in our hearts & memories forever. Peace be with.

“To the wife and family members of Pete, Lift your heads high. You have much to be proud of. A loving husband and father mean so much and as you said in the obituary, that is what he was. There is a future. Job asked, If a man die, shall he live again? Thou shall call and I will answer" Job 14:14,15. May you look forward to the time when you will see Pete again in God's new world.
