“ *Ben and Family. my heart is saddened once again...much too soon after losing my dearest friend, your Mother, but they are back together, and there's shouting in heaven! I will never forget all the beautiful things Charlie gave me at Christmas time! I will cherish them forever! I would so love to see that precious baby. May God give you and your family peace, comfort, strength, and sweet memories to fill the vacancy left in your heart, home, and love. I will never forget the many, many Sundays I taught you in Children's Church, and what a joy you were to teach! God bless and I love you!*
