“ And I quote Cheryl's words "My God is an awesome God! Let's get busy and fix this!" She has walked a hard path, she took those steps holding God's hand. I so wish she could tell me what heaven is like.

“ *Memory of making chicken salad with her for church reception for Paul and Cecilia. It was so delicious. Asked for recipe, because I was the "chopper" and she had the big bowl of secret ingredients :) , but she said she did this and that and we would get together again to make it sometime. haha Anyway I had bone problems and other issues and we never got to make the chicken salad. It was joyful in the last few months when she would allow me to send her a chocolate shake, chicken and dumplings and homemade pear preserves, pray for her and talk to her on the phone. She was very independent, always doing for others and not so much letting others do for her. The precious people at Victoria Fire Department were a huge blessing to her on her journey toward Heaven. I remember her naming frequently Richard, Marsha and Jennie were a huge blessing to her and others whose names I have forgotten. Her church family did as she allowed and were consistent in praying for her, hugging her and greeting her warmly whenever we saw her, offering to help and wishing she would let us do more. We are thrilled that she is with Jesus Christ the Lord that she loved so much. Thankful that she is no longer in pain and suffering. She will be loved, remembered and missed. Our prayers to her father and sister whom many of us met and the children and grandchildren that she loved dearly. May God comfort you all, give you traveling mercies as you come and go and grateful hearts full of memories of better times. Rixie and Kenneth Rose*

Thank you for the sweet memory Rixie. She loved her church family and was so happy to be in the kitchen getting things ready for the fellowship dinner. Thank you for loving my sister as much as she loved you and her Hillcrest family. Dad and I are forever thankful for you all.
