“ *We were cousins by blood. Sisters at heart. Friends by choice. We shared many hurts and joy's. The older we grew, the stronger the bond between us became. The span of miles didn't separate us. I will miss our long conversations and the sound of your voice and laughter. You will forever be in my heart. Deepest condolences to her children, Chris, Jeff and Marianna, her brother and sisters, grandchildren and friends. We remember not just that you died, but that you lived and that your life gave us memories with you, too beautiful to forget. You were a blessing to all that knew you. A true angel got her wings. We will love and miss you always.*

“ *Heaven has gained another faithful servant with Christine's home-going. Few people I have known to be so devoted to her family and friends as she. Whether she was researching the past, caring for her family in the present, or planning for the future, she did it with unselfish love and great care. She was a wonderful friend and I miss her terribly.*
