Christopher Anthony Anderson, 54, of Oxford passed away on Sunday, April 06, 2025, at Baptist Memorial North Mississippi.

The family will receive guest on Thursday April, 10, 2025, from 4:00 P.M. until 7:00 P.M. at Coleman Funeral Home of Oxford for a time of visitation and sharing memories of Christopher.

Christopher was welcomed into this world on June 24, 1970, in Pontotoc, Mississippi.

Christopher was a remarkable man, known for his wonderful sense of humor and the kindness he showed to everyone around him. He dedicated many years of his life to serving in the City of Oxford's Electric Department until his recent retirement. Outside of work, he found joy in appreciating the craftsmanship of classic cars and had a deep passion for firearms, where he was recognized as an exceptional marksman with handguns.

He truly loved the holiday season, often filling his home and yard with festive Christmas lights, bringing joy not only to himself but to those who passed by. Though he has left this world, the memories of his warmth and laughter will

forever remain in the hearts of his loved ones and friends.

Christopher leaves behind the following family to continue walking down the path of life in his absence; father, Bobby L Vaughn of Oxford, Mississippi; mother, Pam Anderson Stewart and her husband Dennis of Tupelo, Mississippi; two children; Katherine Anderson of Plantersville, Mississippi; Ryan Anderson of Oxford, Mississippi; fiancé, Tammy Heleniak of Oxford, Mississippi; lifelong friend, Johnny Earnest of Sardis, Mississippi; last and certainly not least his beloved dog Cletus.

The loved one who departed from this life includes his brother, Glenn Stewart.

In place of traditional flowers, the family has requested that donations be given to the Midsouth Transplant Foundation (<https://tinyurl.com/4srz3jvh>) or Canopy Children's Solutions (<https://tinyurl.com/3dxfpch>)

“ Uncle Chris, you were an amazing son. We always knew when the phone rang wensday nights it was you. You and mimi would stay on the phone for hours. You were an amazing father that loved his kids beyond words. You were a hard worker..who cam say they've been at the same job since they were 18 I can't think of many. I hope you're resting knowing how many lives you are going to save through being a donor. Your life WILL LIVE ON through others. Please watch over mimi today and Ryan and Katherine. Theres no pain like loosing your dad and I can image the pain is just as unbearable loosing your only remaining child. You and dad behave up there and remember to look down on when we're having hard days and send little reminders that you're still around us on our good days. I love you ❤️

“ Johnny and I will miss him so much. Whenever he saw us he smiled from ear to ear, and we did the same when we saw him. We would stand and talk for over an hour at a time, and we talked about everything. He was just telling us about retiring. I was so happy for him.
RIP my friend. You will be missed. 😭

“ Chris was always such a joy to be around. I enjoyed being his neighbor for a short time and was my boyfriend’s neighbor for even longer. I will miss randomly running into him at Kroger and Walmart and chatting away for 30 minutes each time. His light will never fade!

To his family, I’m so sorry for your loss!

Thoughts and prayers from Chelsea King and John Purdon.

“ Chris truly loved decorating the house with lights. I think his goal was for them to be seen from space. I have his BFF Cletus and I hope he can rest knowing he will be loved and cared for until they can chase squirrels and go on their many walks together again. Gone too soon, he was a good man with a good heart and will be missed beyond belief!
