“ This is Missy Curtis Widenstrom, At my wedding your father drove his RV so we could all be together as the wedding party it was a great day. I also loved to work on my car with him at Jack and Jean Cambells garage. My sister and I sang to him at my dads retirement party we made him come on the stage and Sing with us. At my wedding he put a stern warning to my husband to take care of me, I will never forget how special your dad was to me. I missed seeing him after he moved from mahtomedi. What a wonderful man!

“ Dale and I grew up together. We had lots of fun together like demolition derbies at the salvage yard when his mom and dad went fishing for the weekend, or wild card parties with lots of beer. So many great times together and good memories. He was a good friend and will always be missed.

“ I was a recent friend... Dale was so very outgoing and friendly, I trust there are few people whom he met that didn't consider him a friend. His approach to daily life, a smile, a kind word, a friendly ribbing..... it was his life. He always looked at the bright side and was a mentor to all those who have ever faced adversity. He will be missed, God Speed my friend.
