“ Danny was my classmate at OBHS class of 1975. If you needed for your gathering to go a little higher with fun just hold on until Danny Ray showed up.

He will be missed. You never had to wonder what this straight shooter was thinking. He would be laying low and ready for you!! Thanks for the great time buddy. You will be missed. He loved his Momma and was tough as nails.

I am so sorry to hear this. Danny was one of the most loved members of our class of 1975. I will never forget the 1st time I met him in 9th grade on my first day in a new school. He made me feel very welcome that day and always!
