“ So very sorry to hear of Danny Keith's passing. He was a very special person. He and his family hold a special place in my heart. I knew them back in the day (70's): we all had a lot of fun together at school and around Bruce growing up. I hadn't seen him or his family in many years, but that does not make it any less painful to hear of your loss. I was pleased to know he had married and had children and grandchildren. I will be praying for all of you that God will comfort you during this very difficult time. So sorry for the late condolence, I just heard of his passing.this weekend. May God give you all strength and comfort. He is in Heaven with the angles. Rest In Peace old friend.

“ Michael, Mitchell, and Family members, I'm very sorry to hear of Danny's accident. I remember all three of you being so musically talented in Bruce. And how close you three were as brothers. Danny was "the baby", but hung in there with you two. His contagious smile and beautiful blonde hair is what I recall the most. Know my prayers are with Danny's entire family as they remember his life.... Until we meet again.... Earthly loss is Heavens gain. God Bless. Renee Clark Wright
