“ Danny came in April 2019 to repair my old shed and then covered up holes in the wall where a squirrel had come into my house. He was out here two weeks, worked very hard. Then only two wks ago he dropped by just to visit and also asked if there was anything I needed to have done I said no thanked him for coming by. Told him I'd call him soon. Never got to but I will remember him as a true friend.
