“ My heart felt condolences goes out to all of Mike's family. He was one of my oldest childhood friends and I will always cherish those memories. We competed against one another for as long as I can remember growing up in sports and he was one heck of a ball player, too. I'll miss our political sparring chars we had as well old brother. R.I.P my friend...

“ Robin, my heart is breaking for you. I remember when you first started dating. It just seems like yesterday. I knew you two were going to be together. You are in my prayers as you try to carry on without a huge piece of your heart but I know he'll always be with you & when you need him to let you he's with you the most, he'll show you he's still here. Sending you my love.
