An incredible tribute to an amazing man! I'm honored to not just have known him but to be his friend. I will forever remember the stories of his time in the Navy and the loving memories he shared of "his Rita" and his beautiful family. Rest now, my friend. Until we meet again!

“ *Its a sad day on earth losing a loved one and great neighbor but heaven gained a great man. I have several memories of Dave but one that stands out is Dave driving up in his car with a load of sod. I asked Dave what he was planning and he said moving the sod one piece at a time to the back yard. Naturally I wasn't going to let him do that so I moved it for him. Dave was a go getter and he wasn't going to let any obstacles get in his way.*

Miss your already ole friend!

“ *Mr Dave was a treasure. He made all of us girls at Area 55 laugh. We enjoyed watching him do Karoke and flirting with the ladies. He always had a smile on his face. Never a mean word to anyone and never met a stranger. He was a true friend to all. He will be missed.*

“ To the loving family of Dave Hill: I had the honor of meeting Dave several years ago after moving to Olive Branch. He and I immediately formed a bond and friendship that I will always hold dear. Underneath that lively smile and keen sense of humor was a warrior who valued goodness, honor, bravery, and love of his fellow man. I will miss Dave, but I am thankful for having been able to walk next to a man of his character, even if for a very short while. He is in a better place, back with his Team, and without doubt smiling down on us all. Take care buddy. Until we meet again,
