“ I was a teammate of David at Northwest. One of the toughest players on the team, if not the toughest. He was as good off the field as he was on the field. Thanks David for being part of my life. May Rest In Peace.

“ Audrey and family,

*It was with sadness that I heard of David's passing from Walter Raymond Myers. I know that you have a void in your life now, but think of all of the good times and memories y'all had with him. It's been a couple of years since I attended one of our reunions, but David was, as always, full of life. While the class of 65 went its very different ways after spending 12 years together, we somehow stayed in touch. Lately, Walter Raymond was the one that made sure of that. Love to all and God bless.*

“ Such a sad day that we lost a good friend and classmate from our days at Nortwest. David will always be remembered for his smile and his athletic abilities. I was fortunate to see him not too long ago at a reunion and it was so good to see the friendships and comradery among the football team was still true and strong. RIP, my friend. You were truly one of the good ones!

“ *I am so grateful to God that our son, Noah, was given the opportunity to learn from and work with Mr. David. Noah had a lot of respect for him, and he spoke on even the first day of meeting him about how he could just tell from the first moment that Mr. David was a man of great integrity who loved God.*
