“ *I have so many great memories of Debbie. She was so much fun to be around. So sad that I didn't get to come visit since I moved away 10 yrs ago. I worked with Debbie at the Oxford Post Office. My condolences to her family and friends. RIP*

“ *I do have some good memories of when we would go out to the lake.... She loved being on the water. She also made a great moving company.... lol She moved Lynn countless of times. She may not have been the best mom Lynn deserved but she surely stepped up to the plate in the past to help move her multiple times to get her and the kids in a safe environment. I do believe it was more for the grandkids though. I am praying she is now at peace.... Mrs Debbie had a lot of demons within her that she fought with everyday. Now she can finally be at peace and I pray Lynn and the kids find peace knowing that.*
