Debbie was born on September 18th, 1962 in Memphis, TN. Along with being a devout Christian and a breast Cancer survivor of 16 years, she loved her son Connors (22) and her husband John of 31 years. She was truly a person that enjoyed giving to other people and bringing joy to those she knew or had just met. As much as she loved traveling to many destinations around the country and abroad, her favorite place that held so many memories were at the family cabin on the river in Hardy, Arkansas.

Debbie went to Briarcrest High School, class of 1980. She attended Lambuth College where she was a member of Alpha Xi Delta and graduated from Memphis State University, Magna Cum Laude in 1984. She had a bachelor's degree in business administration and master's degree in finance.

Debbie is survived by her husband John of Olive Branch; her son Connors

Moore of Olive Branch; brothers John Connors (Donna) of Austin, TX and Craig Connors (Virginia) Ocala, FL; Niece, Kate Connors of Austin, TX; Nephew, Jonathan Philips of Memphis; great nephew, Maddox Phillips of Cordova TN; Mother-in-law, Lou Moore of Memphis; Sisters-in-law, Gail Pickle (Walter) of Middleton, TN; Cheryl Moore of Pickwick, TN; and Aunt Sammie Gilmer of Olive Branch.

She was preceded in death by her parents Betty and William Connors and her Father-in-law John C. Moore.

“ I was fortunate enough to work with Debbie at View for three years. Enormously talented, patient and helpful to anyone with a question or need. Each day she brought a bright smile and good words regardless of what the daily circumstances held. Her love of John and Connors could be heard in her voice and seen in the sparkles in her eyes when she shared family stories.

When we have the occasion to work with anyone as kind and caring as Debbie, it becomes our duty to treat others equally as well in our daily interactions.

One of my favorite verses from the Mid-America Passion Play John 14 1:3

“Do not let your hearts be troubled. You believe in God; believe also in me. My Father’s house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.”

“Debbie was truly an angel on earth. I cherish the time I had with her as her next door neighbor and friend. She could always make a day brighter with one of her smiles and the love she had for all around her. Such a caring, genuine person and also a lot of fun. I will miss her deeply.

“ Debbie was a colleague of mine and we quickly bonded over our love of our children who were around the same age. We often talked about how we couldn't imagine a world with out our boys and how we would do anything to help them achieve their dreams. She was such a devoted mother and a kind soul, not to mention had one of the most contagious smiles. God bless you all in this time of grief, please know she touched many hearts and will be missed.

“ I had the pleasure of working with Debbie at our Olive Branch Alcoa CSI manufacturing site from 1990-1996. She was a team player, a leader, diligent employee , creative, and brought smiles , each day, to our entire organization . She strongly contributed to the rapid growth our our plant as it became the largest closure producer in the world. Her problem solving skills helped make that all possible. There was no question that she openly loved her family and the Lord . Our world is a better place because of her . She is missed . Well done, Debbie.. Well done .
