“ I remember Aunt Deola coming out on vacation and helping my mom sew all those long ruffled dresses for the choirs i had volunteered her to make, she put her arms around me and whispered in my ear " I don't think you should do that again" and then laughed, one of the sweetest women I knew. My thoughts and prayer are with you Justin.

“ I remember Aunt Deola. She was wonderful. She always spoke softly and she always had time for a person. She had the sweetest smile one has ever seen and was one of my very favorite people in the world. She used to b in the Boy Scouts I think it was with Carl and Justin and was a den mother. I remember her in Snyder Texas at her home getting ready to have a Boy Scout meeting in her living room. Mom would take us to her house and I always loved it there. I remember many more things about her and all my memories are good ones. My heart goes out to Justin at this time. She had a hard life in some ways but she met every challenge with composure and strength. I will miss her and mourn her loss but will always have the memories of her in my heart. Be at peace Aunt Deola and know that you deserve a life of ease now. God Bless You and my love to you Justin.
