“ Such a lose to all, Doris was an asset to any event she attended. She was very likable by everyone. Her quit wit and humor were natural, she loved people and they loved her. At the class luncheons and reunions, which she enjoyed very much, Doris always would make you laugh and smile with some funny comment. She will be missed, but not forgotten. Heaven is a brighter place now with her arrival. See ya someday down the golden road. Thanks for being a friend. My condolences to Tommy and Family. Mike and Linda McCullar. Class of '62.

“ I have known Doris Ann since 3rd grade at Whitehall Elementary School in Jackson, TN. She has been the 'Best Friend Forever' to so many of us. Doris was also one of the kindest and most generous person I have ever known. During the times when she had to be in the hospital, she always told me how nice everyone was, and what good care she was given. I reminded her that she put everyone at ease with her quirky sense of humor and quick wit. Just recently Doris mentioned that the doctors wanted to order a Cat Scan, and her immediate response was, "But I don't have a cat anymore!" Before she met Tommy, Doris visited me in Atlanta often, and always came to my Trim the Tree Christmas party, adding her creative touch to the decorations, as well as keeping the party lively with her fun personality. Doris shared a birthday with 2 of our classmates, John Thomas Jenkins (our valedictorian) and Charles Ousley (Our Class President and a great athlete at Jackson High School. She liked to refer to their mutual birthday as representing "Beauty, Brains and Brawn"!! At one of our class lunches, Ann Mcmillan Harms had brought Miss Worthy, our former P.E. teacher. Someone mentioned that Miss Worthy had worked at Oak Ridge, TN during the development of the atomic bomb. At that time, the employees did not know the actual project they were working on. They had been told only that it would help end the war. Someone asked Miss Worthy how she found out, and before she could answer, Doris said, "Facebook"!! There will never be anyone like our amazing friend, Doris, but thankfully we have our treasured memories to give us comfort. Sending prayers to Tommy and all the other friends who have been her 'family' all these years.

“ I met Doris many years ago through our mutual friend, Marla Waldheim. After the first time I met Doris, I knew she was quite a character!!! She kept all of us laughing so hard we were literally in tears!!! What fun we all had when Doris was around!!! I was so fortunate to have met her and call her my friend. I remember when she met Tommy and later saw the two of them in their marriage. They had so much fun together and were both so blessed to have found each other. My thoughts and prayers are with Tommy, Marla and her family who became Doris's family also. Rest In Peace Doris. Heaven will never be the same since Doris arrived!!!! 🙏😊🙏
