“ My brother and my friend we have had some great moments and conversations, but my only moment of disappointment is not coming by to cook that steak with you. I will learn from this to make myself available to all of my friends no matter how busy I get. I will miss you. Gone to soon my friend gone to soon. God seems to take his best early and to was definitely to early and to soon, but God knows what he's doing

“ Doug you always had a big heart, loving and caring. Every time Led Zeppelin, ACDC, Pink Floyd and the Eagles would come on the radio Terry would say Doug so we played the guessing game of who it was. You are never far from thought. I see your smile, see you sitting in front of the tv with a beer and cigarette watching some kind of sport . Always sports!
I remember my last Thanksgiving with you and Jessie. It was the 3 of us, you were always proud of your cooking. You were definitely a great cook. Im truly going to miss you! I love you.
