“ At first I knew Dow through his grandson, Jacob King. He was so proud of Jacob. Then I knew him through buy and sell on the resale pages, then through the Oxford Auction page. He asked to be friends on Facebook, but I told him we were too opposite on the political spectrum to be friends, and he left it at that, and we picked on each other on FB and at the Auction meets. :) I felt like he was like my brother. Last month he sent another friend request, and I accepted it. I loved Dow and I miss him greatly. Just can't believe he's gone.
