“Dustin was one of my customers at an auto parts store, and from day one he was so kind and patient with me as I was learning the ropes. He would bring his kids in with him, and I'd always sneak candy to them while he was browsing. I'll miss those times. He definitely was one of the most caring, kind, and loving people I've ever met. Thank you for being the person you were, man. You are dearly missed and incredibly loved by many.
