“ I remember growing up at nanas and spending holidays at her house, listening too her tell the best stories & watching football with her on Sundays or the Price Is Right during the week, she'd tell me what it was like “when she was a little girl” & about all the places in the world she'd traveled. When Heaven took my Nana they took a beautiful soul. I miss you so much Nana, I wish I could just hear you talk one more time. :(
