“ All praises to the Most High God for blessing all of us with such an amazing woman. It's because of you that I developed into the woman and mother that I am today. You made all those MOY (mother of the year) awards possible lol. I'm so thankful to have had you in my life. Thank you for all the love and life lessons. Whenever those gray skies hit, you cleared them up (even though I hated when you sang that song). You taught me the true meaning of family. Life without you seems impossible. Just know that you will be truly, truly missed. Love you always!

“*Omggg! Words will never be able to express how much I loved my auntie. If no one loved me , I knew for a fact she did. She believed in me even when I didn't believe in myself. I'm just glad that God gave me an amazing aunt/mother and no will ever be able to take her place. She always worried about me. But no longer will she be worried because I promised her I would do right by my life. It just hurts so bad that your gone but I know everyday ur with me in my heart. This woman was my heart!!!! I told her everything!!!*

“ *Holman Family thanks for sharing your precious Emma with us. She will truly be missed. I'm honored to have known a virtuous woman who has inspired me since I was a child. Her beauty and integrity complemented her style of gentleness and humbleness.*

*Emma was a hidden treasure that the Presidential Hills community found right in our yards. Each day Emma brought sunshine into so many lives including mine. She has been more than a friend to the Nelson family and I'm grateful to have known such an awesome and courageous woman. On a more personal level Emma has been a friend, teacher, babysitter, nurse, doctor and an example of faith and perseverance for me. When I think of happiness and joy I see Emma high stepping with that bright red lipstick on wearing a smile. Erica and Andrea your mom was SIMPLY THE BEST. Emma was loved and I will miss her immensely. My thoughts and prayers are with the family in your time of bereavement.*

*Emma was placed on this earth to be a blessing to others. She was a very special person. She helped so many people. She was always positive. No matter what the situation was she found something good in it. Emma also made the best sweet potatoes is the world. She was the best mother in law. Since 1987 she has always given me a smile. She was a real grand mother to my kids. She is a angel watching down on us thinking positive and looking for the best in us. I love and miss you.*

*I meet Emma in 1971 when she and Flora welcomed me into the neighborhood. As she walked away, I said, "that lady is an angel". Spending time was our daily routine as we raised our children, vacationed, gardened and much more together. We became best friends. Emma wasn't a busy body..... always taking care of her father's business by sharing and caring for others while spreading love through out the community. Emma NEVER CHANGED she touched the lives of many people in and out of the neighborhood. It's rare to find a true friend such as Emma but I did. I will sincerely miss you my angel, my best friend and sister. I love you dearly. My prayers are with the family.*

“ One of the most nicest lady i have ever met in my life. A lady that will give you her last and will not take no for an answer. She feed many some she knew and some she didn't. She was a person you could depend on for help if you needed it. I will miss seeing her walk in the evenings and saying Anthony you sure got this yard looking good. But one thing for sure when it all said and done in the Kingdom I shall see her again.

“ *Words can't explain how much love I have for you. You took care of almost every child on our street. You had open arms for anyone who needed help. You raised the whole family. You taught us that if you didn't have anybody you should always have family. We have so many good memories, watching movies, doing yard work, sitting down just talking and laughing and etc. Wish we could share some more of those wonderful memories. You will always and forever be in my heart, Hate that you had to leave us, but I know you are watching over us in the Upper Room. I love you so much. R.I.P Aunt Emma "Auntee" ❤️❤️*

“ Erica and Andrea you were blessed with the sweetest, most loving mother God created – she was the model. She loved you girls so very much. Emma welcomed everyone into her home and her heart and still tenderly cared for her ill husband and you girls. Now God has welcomed her home, wiped away her tears, and taken away all her pain. Emma is wearing her crown in glory. I pray you find strength in the love of one another and your family; and in the warm embrace of friends – old and new; young and old. You are in my thoughts, my heart, and my prayers.

“ Emma was a very very wonderful lady. She was the only lady that stayed in Presidential Hills circle that we (kids) didn't have to refer to her with the title 'Ms' before saying EMMA! She made us feel just that comfortable. Whenever at her house you could eat, sleep, and play all in the same with no problems. She was truly a kid's GODMOTHER! The reason I said, " a kid's GODMOTHER", anytime kids came around some how they founded their way to/at Emma's before leaving the circle. Emma, I loved you then and now, and I know GOD has blessed you to be with him. If not, NO ONE HAS A CHANCE OF ENTERING! I love you Ms. (EMMA) Holman!

“ Emma was my neighbor in Presidential Hills for many years. We became family when my son married her niece. She taught me gardening and gave me recipes; sorry to say unlike Emma I didn't master either. She kept me updated on the neighbors and family after I relocated. I admired her for many reasons, most of all for how she cared for her ailing husband for many years. I would only hope to be as dedicated to family as Emma was. I already miss our long distance chats but I'm happy for her transition. No more pain/suffering for Emma. Thanks be to GOD who does all things well. Love you family..

“ I just sit back and think about the phone calls just to check on me. She would say, "hey nucklehead!! I am just checking on you". She always kept up with us. She always knew when one of us was going thru something.

I will never forget the family gatherings and the family outings. We could be somewhere and laugh and talk for hours. You truly held this entire family together and I will always have those memories to hold on to. But most of all I will never forget the love you showed me. Always there with a listening ear and never judged me. You loved me and my children unconditionally. Thank you so much Auntee!!! I am missing you already. And know that your niece loves you with all her heart

*Emma was a JEWEL! At an early age, I could tell she was one of a kind. I have so many great memories that I will always cherish inside and outside your home. From seeing me Shaun and Nick get off the school bus everyday, checking our homework and making sure we had a snack, really showed how much you cared for us. Being in your presence as an adult brought back those loving memories. Thank you for being our other mother. I love you and I will never forget your kind spirit.*

*To the family, you will always be family to me. I'm blessed to have grown up with you all for so many years. I will miss Emma dearly.*
