“ *We would all like to wish our condolences to the family. We were blessed that Jimmy and Erika loaded up the bus and hit the west coast last month. We had a nice couple weeks here with them in Las Vegas. Mom (Flora) took Erika out for a night of gambling, Roy found a german restaurant she loved, but my favorite memories will always be watching my kids hang on her and give her love. She gave Kendall a doll that was special to her and they spent hours playing, that will live on with us forever. We will forever be grateful that we were able to spend some time with Erika and Jimmy. We love you Erika and you will live forever in our hearts. The Odiorne and Ficht families.*
