“ Keith and I have been friends for about a year. Many nights we would sit outside OTC and just talk. I will miss him dearly because he always had an ear to listen and he would eat my food and say it was great! I wish I could have been there more for him. I never met his family but he spoke of you often. I am so sorry for your loss. He was a sweet man and my life will be less without him.

“ I've known Keith since we were both about 13. We lived just across the bottom from each other, went to church and rode the school bus together. He was always ready to make you smile or lend an ear. Above all things, he loved his family. He will be missed. Rest in peace.
