“ *Dad, daddy, pappaw, and friend to many.
You are missed more than you know. There have been so many of yours and Carolyn’s friends from church, Sunday school and from the Hillybilly unit, the Shriners, etc. They have stopped by and the amount of food we have received is amazing. Their stories of you are just so heartfelt. Memphis Policeman are shocked to hear that you are gone.
Dad, you are physically gone, never will you be forgotten.
My dad, my daddy....my strength, my larger than life hero, my confident, unique, caring, sharing and my Christian dad. He thought of others before he thought of himself. My dad, mr easygoing and always knew things work out.*

*I thank each person who has reached out to us and shared stories, hugs, food, drinks, especially your prayers. Please keep us in prayers for the next few weeks, months.
Let’s just lift our hands to Heaven and thank Jesus for my daddy.
God is good and He has a place for us. God Heals! God loves you.*

Saying good bye to my dad sure isn't easy. However, knowing he was a good Christian man makes my heart leap with joy. I know dad would be telling us, toughen up and know I am with Jesus. So dad, I'm trying to toughen up because I know you loved me and I know we will meet again.

Your dad was a great man, I am proud to call him my friend, he loved all his family and loved being with them, if anyone ever met your dad they would never forget him, he had a way about him that everyone loved him. He will definitely be missed, I am glad that I got to spend time with him, we went fishing a few times and he loved it. REST HIGH.. MR. CUPP

*“ Floyd Cupp- my Dad, best friend, my rock!
I will miss him every moment of each day.
I love knowing that he has been lifted up
to be with our Lord our Savior. He has touched so many lives. We
have heard so many wonderful testimonies and know he will be
missed by many. Thank you all for your support, kindness and
expressions of love.
It's extremely tough right now and I can't imagine it getting easier. I'll
miss his phone calls, Sunday luncheons after church and of course
his famous cooking. Oh and let's not forget the whistle from across
the room.
Oh my dear Dad - I miss you so much

“ *Earth has lost a good man and heaven has gained an angel. Floyd was my parents neighbor and friend for many years. He was a great Christian man who lived by example. He was quick to come to the aid of others when needed. He stayed with my father who was disabled after a stroke for 2-3 days a week for about a year. His only request to my mother was that there be Diet Coke at the house for him. That's was it, no pay, nothing. Just Diet Coke. He often showed his love for others through his love of cooking. My family was shown that love by him many times. We have fond memories of Floyd and he will truly be missed. Bendy White (The Ross/Charlotte Smith family).*
