“ Fran, when we met for the first time in 1994 who would guess that we would have a long-time friendship albeit via the telephone. We always had plans to meet again but something always got in the way. I miss you, Cousin Fran. I will always love you.

“ *Dear AnnMarie, Mike, and Ryan,
 We will always remember the great times we had with your family in Chester, VA, on Fieldwood Rd. Your parents were great people, but you knew that, and always eager to help with whatever you needed. They will be sorely missed by lots of people, especially us.
