“ This was my loving wife for 45 years it's been over three years now and I still miss her and think about her every day and night. But I know she is in a better place now not suffering with that horrible crippling R.A. she suffered for over 30 years. Pain no more sweetheart you have a new body now with Jesus.

“ Frances and I used to walk nearly 7 miles everyday back in the late 1980's. She would meet me after I got off work and then we would kneel and pray beside my bed for all of our friends and relatives that needed Jesus. We did our best not to leave anyone out. Looking back those really were the best of my days. Having a prayer warrior and exercise. Frances I loved and will miss you Ladybug. We have our time coming though.
