Freddie Marshall Little, 71, passed away Sunday, September 18, 2022 in Greenville, Mississippi. A visitation will be held Friday, September 23, 2022, from 11:00 a.m. to 1:00 p.m., at Bethel Baptist Church in Holcomb, Mississippi. A service celebrating his life will take place Friday, September 23, 2022 at 1:00 p.m., in the sanctuary of Bethel Baptist Church with Bro. Truman Scarbrough officiating. Bethel Baptist Church is located at 867 Bethel Church Road, Holcomb, MS 38940.

Freddie was defined as a free spirited man that loved every soul he met. He was welcomed into this world on February 04, 1951, in Grenada , as a son to the late Tullie Little and Agnes O'Bryant Little This unregulated man spent many seasons of life working offshore on an oil rig before transitioning into the role of truck driver. When he wasn't traveling the highways and byways of the United States he could be found baiting a hook and casting line while on a relaxing fishing adventure. Above all of his hobbies and interest, Freddie cherished his family the most and adored the time spent with them, especially his grandchildren. This man of simplicity will be profoundly missed by his loving family and friends. However, he will continue to live on their hearts and minds as a fond memory.

Freddie is survived by his two daughters: Jessica Montz of Oxford; Christi Naranjo of Benton, Arkansas; two sisters: Sue (Claude) Perry of Grenada; Margie Marlow of Winona; three grandchildren: Steffan Stringfellow, Shayla Ortega, and Adeline Montz.

He was preceded in death by his parents, Tullie Little and Agnes O'Bryant Little; one brother, Otis Donald Little.

Doug Blankenship, Ron Hames, Bobby Little, Chase Marlow, Kevin Marlow, and Scott Marlow will carry Freddie to rest in Bethel Cemetery.

In lieu of traditional flowers, donations can be made to St. Jude Children's Research Hospital at <https://bit.ly/3Lv6l30>, and to the LeBonheur Children's Hospital Heart Institute at <https://www.lebonheur.org/services/heart-institute>.
