“ I first was blessed with the presence of Gee Gee at Dixie Purdon’s home. She worked the room like a butterfly. Her style of cloths and accessories, her beautiful smile, her free spirit , her laughter, her love and joy for life was contagious. As Olivia and Micah became closer and their unconditional love for each other grew. Olivia became one of our family. I got to spend many wonderful and beautiful memories with Gee Gee. Our daughters weddings, births of our grandchildren, play dates and birthday parties. I was blessed to have Annabel as a student, and she will always hold a special place in my heart. Heidi, I grew to love through the tight Mother daughter conection. The strength, fight, love and beauty Gee Gee showed each of us will definitely paint her legacy like no other❤️
