“ *fondness memories of my step mom.... Riding to town with her when I was young, playing with her makeup, cooking and baking, helping her bartend for all the crazy parties her and my dad hosted, making chex mix at Christmas, but most of all loving me like I was her own daughter and loving my kids as her grand babies. She is forever missed, but never forgotten.*

The parties were the best... "Pretty Woman" by Roy Orbison... Was a must..., the trip to Mud Island... 🤔. She was a trooper for that one! 'Dingit' the pig... She rubbed down with coconut oil... And kept in the laundry room... Great memories...

It has almost been a year. It doesn't seem possible. You are greatly missed. Sara Beth misses you so very much and talks about you all the time. You were taken from her much too soon. Please know that we think of you all the time....it's just not the same here without you.
