“ You made a huge impact on me in the short time I knew you. Thank you for being one of my first friends, a best friend, when I was so lost and navigating 'ol Memphis for the first time. We had some very amazing moments together. Memories that we will carry for life. We will talk about you until our last breath. I'll always appreciate you being around. You were so proud of your family and looking over your mom and sisters. My heart breaks for them, Biscuit, and Daisy...your baby. My heartfelt condolences to Rachel and the kids, I really wish we would have gotten the chance to meet them ❤️ I'm sorry, I'm just in shock...love you, Jay ❤️
