“ Buddy,
Our thoughts and prayers are with you during this time. May God's peace surround and comfort you. Ginny was such a wonderful, caring and loving person. Our time at Digital was one that I will never ever forget. We were all "family" and I sure miss those times we all had together. Of course you and Bob, were connected well before that time. I am so truly sorry... May your faith sustain you, friends uplift you and know that Ginny's lovely smile is smiling down on us, and your heart will be forever full of fond memories. Hugs and much love to you and yours. Love, Martha and Bob Stewart....

“ Buddy, thoughts and prayers are with you. So very glad that we had the chance to visit with Ginny in May during Bailey's graduation weekend. Regrettably, Bob and I are out of the country and unable to make it home in time to make the service. My memories of "Gigi" are of a fun loving, talented and warm hearted woman who was a loving friend to my sister. She will be missed. Much love, Jan & Bob Koors

“ Oh those Digital years. Some of the best of all our lives. I met Ginny and Buddy thru Jerry. They all worked together for several years. Ginny and I bonded right from the start. We both loved cooking and always talked recipes. Buddy and she made the perfect couple. We had some really fun times together. Life is just so short, but God truly received an angel when he took Ginny home. Heaven will really appreciate this angel. Go rest High on that Moutain! She will be missed. Our prayers and deepest condolences are with Buddy and the entire family. God Bless and be with them during this trying time and give them the strength to go on. Love You

“ I do not have a particular memory of Ginny. I have many memories of a happy, loving, articulate, creative and caring woman. She was strong, she was happy, she was very much in love with her husband (which we all thought was the greatest) and I love those memories of her. Ginny did always have the best dishes!!! Seems like she was a home-economics teacher at one time - and rightfully so - but I could eat anything that she made. It was always great. The heavens will be happy to have Ginny. I am sad that she has left us so soon. Buddy, you will stay in my thoughts and prayers.
Lovingly, KC

“ *Very very sad to hear about Ginny's home going. My heart goes out to Buddy and the entire family at this time. I pray for the Lord's comfort and strength at this difficult time.*

Many years ago I worked with Ginny and Buddy at Digital Equipment Corp. in Memphis, TN and have very fond memories of that chapter in our young lives. Saw Ginny and Buddy at our Digital re-union last year before Christmas at Donna Wilkinson's home and had a wonderful time catching up on events of our lives.

May Ginny rest in peace in heaven.
