“ *From the moment I met you, you always had me laughing and smiling. You are now joined with your mom, and family in heaven. You were one of a kind, and to say you will be missed is an understatement. You were always my second mother. You left this world a better place than you found it, and have raised an amazing family. Thank you for always making me feel loved, and treating me as a part of your family. Fly with Christ. Matt Cox*
