“ So many great memories with Gwen! She and Donnie always opened their home to Denlyn’s friends when it was most needed. All the times we crashed there, showing up in the middle of the night, she always gave love and blankets for the couches 😭. I was privileged to catch back up with her later in life by doing her hair. We had many deep, healthy conversations about life and family. It was very clear how much she LOVED ALL of her family! Sending all of you love and prayers for your grief. ❤️

“ I worked with Gwen at NSI Inc. for about 5 years. Her radiance and wit and charm were simply un-matched by anyone else there. She never failed to give a smile and a helping hand to anyone and I am honored to have called her my friend. Even though she is no longer with us, her memories and countenance still echo through our hearts. Rest in Piece "Ms Gwen" and know that you are missed and heaven has surely gained a truly wonderful person.

I began working at Allen & Hoshall in late 1984 & worked there for 17 years. I left there to work with Donnie. Gwen was one of the first employees who befriended me, as well as her Aunt Lisa. We became good friends and my first husband & I vacationed with her and Donnie at the beach in Destin, FL. I still have a photo of us at the beach, along with Jackie, who was with us. I will miss her.

Jerry and I always remember, one summer day, with family sitting and visiting, in the front yard in Memphis on Harville.

We were going to take Gwen to Jerry's apartment for a swim. Well there was a little thunder from the sky and Gloria said she was worried about the weather.

Gwen, looked up at the sky and said, "that is only a little high sky lighting" Her Mom agreed and Jerry and I took her to swim.

To this very day Jerry and I say that very thing, when we hear thunder and we think of Sweet Gwen, on that summer day.

With Love Uncle Jerry and Aunt Betty
